The Speed Shop of Selbyville Presents Check to Boys & Girls Club of Delaware

Craig Mullins, owner of the Speed Shop of Selbyville presented a \$2300 check to Zaida Guajardo, Development Director for Boys & Girls Club of Delaware. Mullins contacted Guajardo initially to see about partnering for the grand opening of the Speed Shops Muscle Car Showroom that was held October 7, 2017. Guajardo helped promote the event as well as coordinate volunteers to assist with the day's activities. "In an age where we get bombarded with requests for donations, I find it refreshing that Zaida understood the importance of working together to mutually benefit our organizations. I was also happy to see that this money stays local and it goes to a very worthwhile cause." said Mullins. "It was a pleasure to work with the crew of the Speed Shop. The money received will be matched by our corporate office and will go directly to fund our youth programs in Sussex County. I wish these guys great success as they push in becoming the premier muscle car dealer in our region." Said Guajardo. For questions or need further information please call 302-535-0451 or e-mail speedshopdel@gmail.com.
